2017 Pier Park Parade Entry Bio

Please provide a description of your Krewe and/or entry to be read from the viewing stand over the public address system during the parade. This narrative will become part of the television and radio broadcast of the event. If possible, we would prefer that you provide a bio in electronic form using Microsoft Word. If not, write it below and we will have someone copy it into Word. Keep in mind that the bio may be edited as required by time constraints. Maximum of 100 words.
